

Directions to Bike Viewing

Follow I71 North to Exit 17 (Hwy 146) **Buckner Exit**. Turn **LEFT @ top of the ramp**. Approximately ¼ mile after crossing the railroad tracks (at the warehouse construction site) turn **LEFT onto New Cut Road/Cedar Point Road**. Stay on Cedar Point Road (you will drive around a 90 degree right hand turn and at the top of the hill New Cut Road will turn left – stay on Cedar Point Road!!). Cedar Point Road will dead end into Hwy 393. Park on Cedar Point Road near Barkwood Road or on the side street and walk to Hwy 393. We will be about half-way up the hill on the right hand side of Hwy 393. Look for our BarryS Coaching 12' Flag. It may be in your best interest to bring chairs and drinks; this area is normally shaded. Bikers will pass this spot two times. On the first loop bikers will be about mile 25 and on the second loop bikers will be about mile 55.

For the Run Course –

We will be watching the run from **3th and St. Catherine Street on the West side** of the intersection. Look for our **BarryS Coaching Flag and our BarryS Coaching/John Kenyon Tent**. Runners will pass this spot 4 times. The first time they pass the runners will be about mile 4; second time will be about mile 13; third time will be about mile 16 and the fourth time will be about mile 24. This year we will host our **“Y’all, it’s a Party”** party. A couple of our athletes have volunteered to bring grills and BarryS Coaching will have some chicken breasts, hamburger and hot dog type of food for the chiefs to cook, we’ll have some chips, snacks and cold beverages (kid beverages too!) for you. Since it will be dark about 7:30 I have some lighting capabilities for our tent and the viewing area as well. Please join us – bring friends and let’s make this a rowdy area of support for the runners! BTW, **cost of “admission” to the “Y’all, it’s a Party” party is a Dare to Care donation of canned foods or a small financial donation**. Potluck – kinda....If you want to bring a bag of chips, snacks, cookies, brownies we would appreciate it. Bringing a chair or two could be “nifty” (extremely useful) but not “mortaller” (a mortal sin) if you forget. Note: the only bathrooms near this location are about a block away at Kroger or same distance at the Dizzy Whiz which closes at some point during the evening so plan accordingly! Double Note: we should have the tent set-up in this location between 2 & 2:30 p.m. and will stay late.

To get to 3th and St. Catherine Street: coming from the I71/I65 South junction follow I65 South to the St. Catherine Street Exit. Turn right, drive as far toward 3th Street as you can and park along the street. As a landmark – The Dizzy Whiz will be on your right on St. Catherine Street. One can also take I64 west to the 9th Street exit, work your way back to 5th Street and park near St. Catherine or drive just south of this intersection, turn left into the church parking lot, go to the alley behind the church, turn left, drive across St. Catherine into a parking lot. Our tent is just outside this parking lot.

I hope you and/or your families will join us at both locations during Ironman but especially during the run segment – join us and lets make some noise in support of our and all the athletes competing. For the out of town folks, if I may be of help to you please call or text me – 502-551-7879.
